EPIC 2023: 6, 7 AND 8 JUNE 8:00 - 14:00 CEST (UTC+2)

The KIX Education Policy and Innovation Conference (EPIC) 2023 aims to create a forum for intensifying dialogue between researchers, policymakers, and practitioners from the Asia Pacific, Eastern Europe, Middle East and North Africa. The conference will provide a venue for bridging the seemingly perennial gap between research, policy, and practice. In bringing together educational sector experts and institutions, the conference will mobilize knowledge and provide visibility to national and regional expertise. It welcomes recent data-driven research and best practice, which addresses current national and regional challenges and provides prospective solutions.
